

Crescent Park Studio Events & Programs

Located at 2585 132nd Street, the studio has working space for up to 20 users. Besides SPS potters, the facility offers community programs and ceramic events.

Indoors public events include:

- open houses
- gallery sales

Weather permitting, outdoor participants can experience:

- children's clay play
- wheel & hand building demonstrations

A variety of in studio public programs for children, youth, adults, and seniors are offered:

- ceramic arts classes
- open studio
- demonstrations & exhibitions
- workshops at the SSR&AC studio jointly organized by Semiahmoo Potters and Semiahmoo Arts

Program and events hours are advertised in our gallery window and website, as well as

- Facebook and Instagram
- the Surrey Recreation Leisure Guide
- Surrey Arts Council and Semiahmoo Arts

**Semiahmoo
Potters
SOCIETY**

Connecting Communities with Clay

Mission, Vision & Values

The **mission** of the Semiahmoo Potters Society is

- To foster, encourage and develop ceramic arts in the Semiahmoo Peninsula and the greater community
- To provide a facility, equipment and services not otherwise available to members
- To offer a forum for knowledge and skill interchange amongst members

The club's **vision** is to be a pottery community resource offering a variety of ceramic workshops, techniques, Firings, sales and shows.

Our members share these **values**—

- ☞ Integrity/ honesty ☞ Respect
- ☞ Teamwork & participation
- ☞ Education/sharing ☞ Fun
- ☞ Personal safety & environmental Stewardship

Membership

Society members each have enough ceramics knowledge to work safely and independently on site or in home studios. Potters are involved in:

- creating, decorating & firing ware
- skill sharing workshops
- annual spring and winter sales
- Pop-ups in White Rock and Crescent Beach
- Outreach and cultural events
